### Agenda Item 3: Approval of Minutes of meeting held on 4th July 2022

On a **proposal** by Cllr Snowdon and **seconded** by Cllr Andrews it was **RESOLVED** that the Minutes of the meeting held on 4<sup>th</sup> July 2022 be accepted as a true record of proceedings. Cllr Cross signed the minutes accordingly. It was noted that no meeting took place in September.

#### Agenda Item 4: District Councillor Report, Cllr Sutton

Cllr Sutton reported that new leaflets "Supporting You" had been published and distributed in an attempt to support people with the cost of living. The new initiative targets people in rent arrears who have come to light through the benefits system.

Cllr Sutton reported that the District Council had supported people through Stonepillow during the Covid pandemic and is now looking to support those starting out on the housing ladder as well as continuing to look for temporary accommodation for those that need it.

Cllr Sutton noted that bin and recycling collection changes over the Christmas period have now been published and also mentioned that bottle tops can now be recycled.

The District Council is supporting local business over Christmas and there are events in Midhurst, Chichester and Petworth.

Cllr Cross highlighted the discrepancy in planning for solar panels for listed building. It was acknowledged that this would take a change in policy, however the SDNP is reviewing its policies and it is worth writing in to highlight this concern.

## Agenda Item 5: County Councillor Report, Tom Richardson

Cllr Richardson apologised for his recent absence but reported that he has been working on the draft speed limit policy which is now competed. The policy will be going to the Scrutiny committee and should hopefully be in force mid-December. Although dealing with lots of areas regarding speeding the main area is the doing away with the national speed limit on country lanes. It was clarified that changes are down to the individual Parish Council and it is unlikely that funding would be available although this is something that could be precepted for. A Parish Council would need to apply to the Community Highways Scheme for new signs or on road painted signs. Any application would need to be made for a specific road.

Cllr Cross highlighted the ongoing concerns about the crossroads to Petworth. Many residents have expressed concerns over safety, and it was questioned whether this could be made into a 4 way junction. Cllr Richardson responded that any application would need to go through the Community Highways scheme for assessment. Cllr Richardson suggested looking at the Sussex Safer Roads Partnership data map to see statistics for accidents to see whether a case could be made.

Mention was also made of the Grove Lane to Haslingbourne junction which is also dangerous.

Cllr Cross highlighted concerns over drainage as Folly Lane in particular is flooding. It was suggested that concerns regarding drainage from landowners' properties onto roads should be highlighted on the LoveWestSussex app with "what3words" being used as a reference and photos submitted. This is the quickest way to get problems investigated.
